

## **FDA Certificate for**

## <u>BC05B</u>

On behalf of IRPC Public Company Limited, we hereby certify that Polypropylene Blockcopolymer Grade BC05B complies with the United State 21 CFR Food and Drug Administration (FDA) Regulation part 177.1520 which allows the polymer to be used in food contact applications.

The scope of this statement is within the details of the above mentioned regulation only, and does not cover the modification, processing, and conversion of the finished product. It is the responsibility of the converter/ user of the product to determine and appropriate the regulatory suitability for food contact compliance.

This information is valid until December 31, 2021

Certified by :

UMTON
